REASONS FOR ALLOWANCE

1. Claims 22-34, 56-68, 81-90, and 101-105 are allowed.
2. The following is an examiner's statement of reasons for allowance: A search of the prior art fails to teach or render as obvious the claims as a whole and of particular note: the features of creating an index structure to individually encrypted blocks, as recited in claim 101 and further, whereas the indexing structure produces a leaf node for each block, which are part of a header in a data stream, as in claims 22, 33-34, 56, 81.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
